

1st International Symposium on
**Kinetics-Driven
Supramolecular Chemistry**
Protein and Cell Science in Brain: Sleep and Neurodegeneration

- SPEAKERS

Prof. Tomomi Tsunematsu
(Tohoku University, Japan)
Prof. Young-Ho Lee
(Korea Basic Science Institute, Korea)

- Program

14:00 - Opening Remarks
Takahiro Muraoka
(Tokyo University of Agriculture and Technology, Japan)

14:10 - Tomomi Tsunematsu
“Understanding Sleep through Neural and Glial Activity”

15:10 - Young-Ho Lee
“Protein Aggregation and Consequential Misfolding Diseases”

16:10~16:20 - Closing Remarks
Takahiro Muraoka
(Tokyo University of Agriculture and Technology, Japan)

January 19th, 2022
